A Message from your Community Manager

Dear Community Members,

The monsoons have been very active this year, and we desperately needed the moisture! Most
of you have no doubt noticed what the run-off has done along Stoneridge Drive, and the
Town of Prescott Valley has informed me that they will be back out to do some repair work
after the monsoon season ends. They also plan to return to sweep the streets and sidewalks,
so please be patient while they work hard to get caught up.

If you haven't been to the community center lately, please stop by to see the new furnishings and décor that have been installed. Joe's Furniture submitted the winning design voted on by the community, and it turned out beautifully. Their design team was excellent to work with and we couldn't be happier with the result, so thank you Joe's!

Last, the FireWise committee is looking for volunteers who have grant writing experience. If you have it and would be interested in assisting them, please attend their next meeting on September 18th. The committee is working hard to identify areas around Stoneridge that can be made safer from wildfire and they hope to have a plan to submit to the Board of Directors very soon. Any expertise you have to offer would be much appreciated.

Thank you, and as always please let us know if there is anything we can do to help make living in Stoneridge even better by visiting us here at the community center or by giving us a call.

> Sincerely, Kathy Wood and Staff

COMMUNITY PARKING

Per the Stoneridge Community Rules, parking is not permitted on public or private streets or thoroughfares within Stoneridge <u>at any time</u>. Motor vehicles are only permitted to be parked on concrete driveways or in garages.

If you have a guest over and would like to avoid receiving a letter of violation from HOAMCO, the HOA management company, your guest must display a temporary visitor's parking permit in their vehicle. These passes are available at the community center. If you don't have one please take a few minutes to stop by and pick one up.

These passes are for you to keep at home so that it is not an inconvenience for you to give to your guests to display. A member's visitor shall be allowed to park on the street with the above-mentioned permit displayed for temporary periods **not to exceed four (4) consecutive days or more than four (4) days in any calendar month.**

Complaints about cars being parked on the street far out-number any other complaint about rule violations that we receive, so we are doing our best to enforce it.

Thank you.

DESIGN REVIEW

Prior to making any changes or modifications to the exterior of your home, it is required that you first receive approval from the Design Review Committee which meets the second and fourth Thursday of most months (check the calendar or call for dates). A Design Review Application Form can be found on our website at stoneridgeazhoa.com or you may pick one up from the community center. Having approval prior to beginning your project ensures that you are in compliance with the Stoneridge Design Guidelines, which can also be viewed on our website.

Please feel free to call us with any questions about the submittal process. We're here to help! 928-775-7550
